What will be involved at level 3?

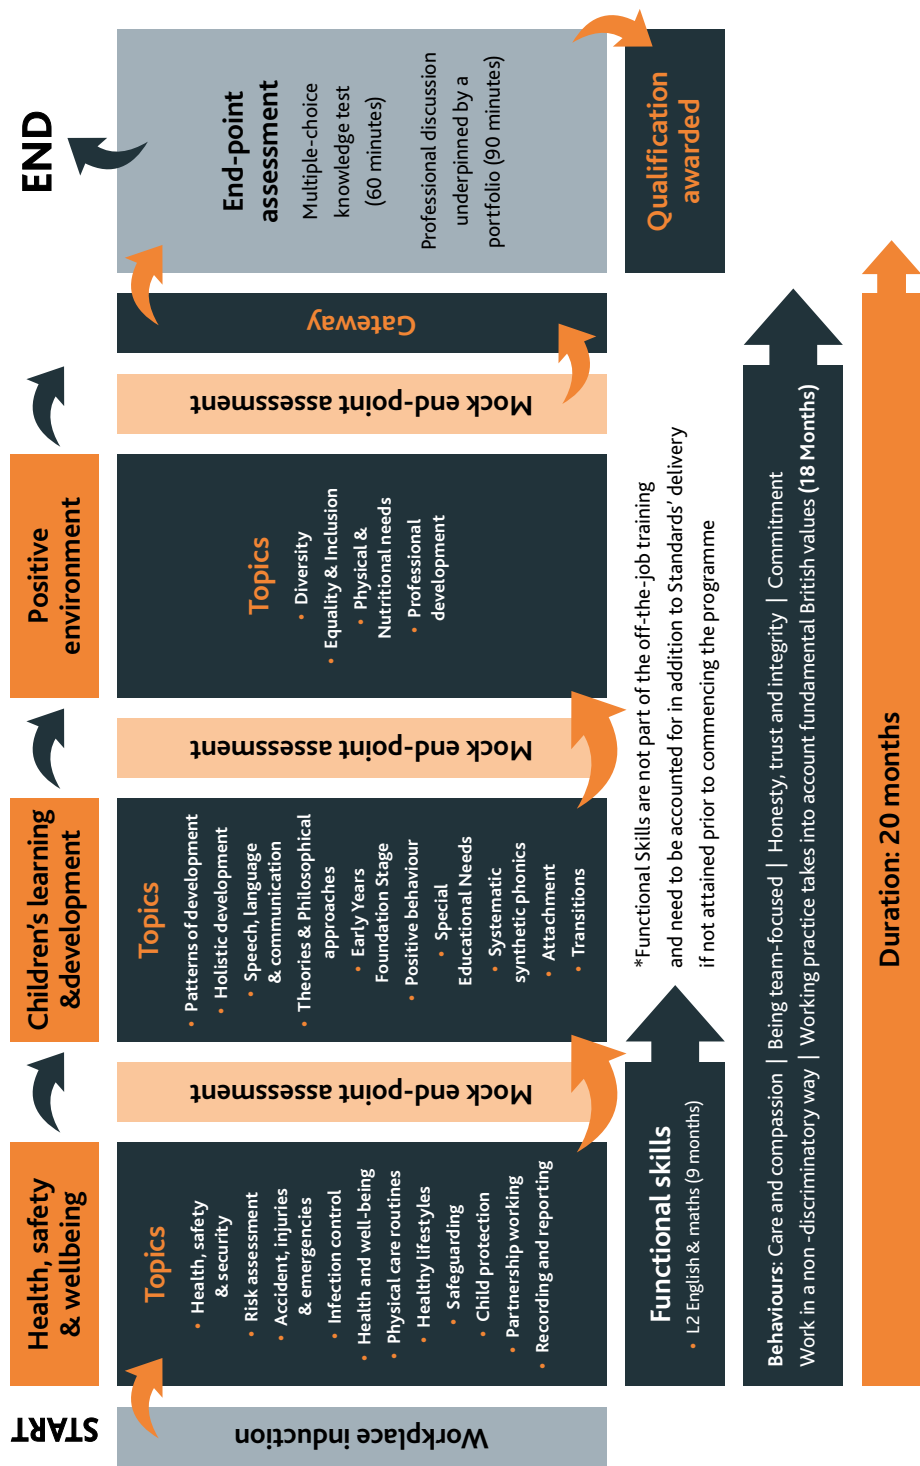

The Early Years Educator Level 3 Apprenticeship is made up of several components which develop the practitioner's knowledge, skills and behaviour.

The programme is spread across 18 months and covers 12 units, with the option to take on extra stretch and challenge units if desired.

Following enrolment and induction, programme units are grouped into 3 themes which complement each other.

These are: health, safety and wellbeing, children's learning and development and positive environments.

Programme overview

End Point Assessment

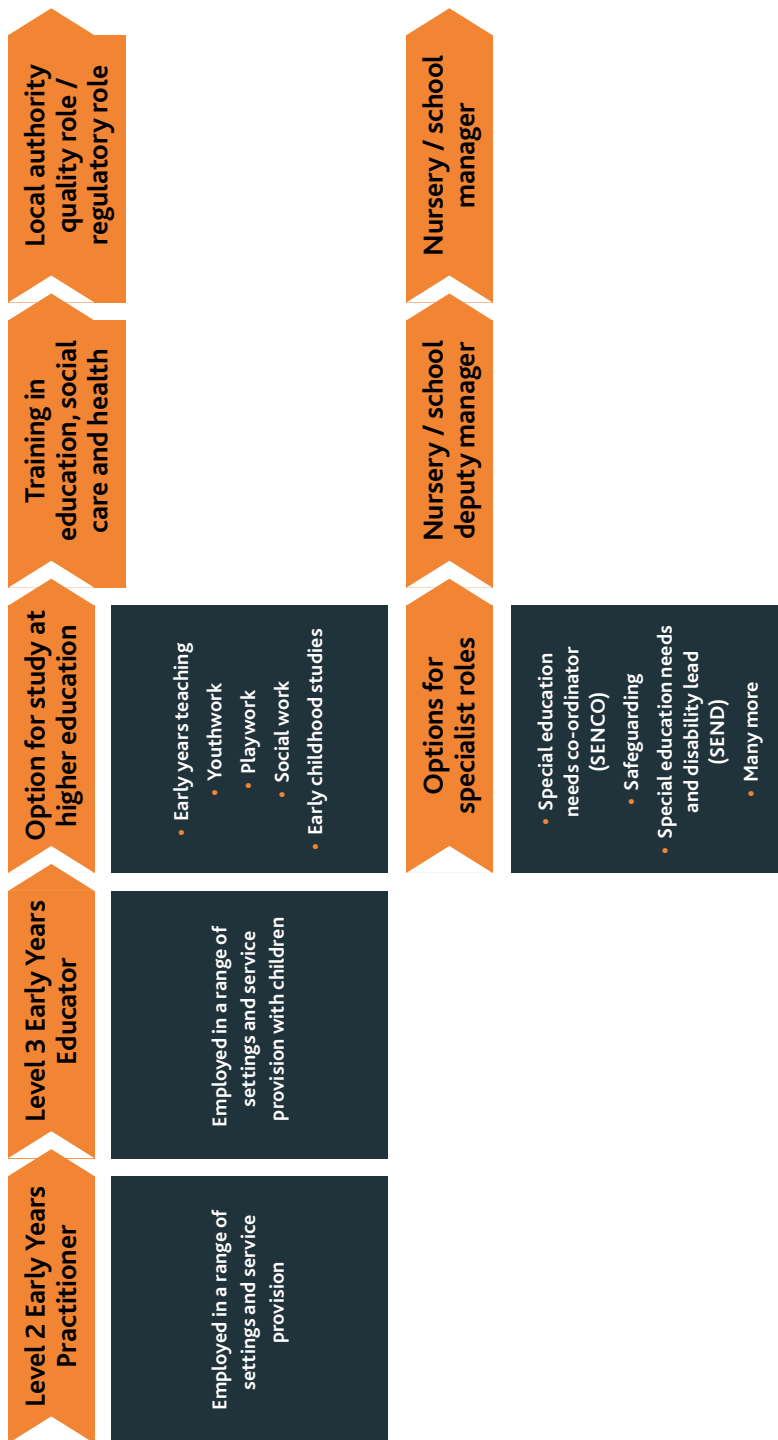

After a minimum of 372 days and successful delivery of the programme, the End Point Assessment will take place. The EPA is a synoptic assessment of the knowledge, skills and behaviours that have been developed throughout the apprenticeship.

The EPA for this standard is made up of two assessment methods:

- **Multiple-choice knowledge test**
60 minute duration. Grading of pass or fail
- **Professional discussion underpinned by a portfolio**
90 minute duration. Grading of pass, fail or distinction
